ST. STEPHEN'S COLLEGE.

The want which was felt of such an institution as St. Stephen's College first found expression in the report of the Rev. John McVickar, D.D., superintendent of the Society for the Promotion of Religion and Learning in the State of New York, who said to the Convention in 1856, that the smallness of the number of candidates for orders "arises from the want in our Diocese of some church institution or training school, in which, as a nursery for the ministry, the destitute sons of our poorer clergy might find a home under church influences, as well as the sons of zealous laymen—a church school leading to the ministry, adequately endowed, Episcopally governed, and annually reporting to the Convention its condition and its progress."

Bishop Potter, in his address to the same Convention, said: "One of the urgent wants of the Diocese is a Church Training School to take charge of hopeful youth from a very early age, and, by faithful, intellectual and religious culture, to prepare them for the work of the Holy Ministry. 'Without money and without price,' it should afford shelter and nurture to the sons of deceased clergymen; and by its economy, and wise and earnest training, it should be capable of raising up men of simple habits and fervent hearts, who will shrink from no toil, from no self-denial; and 'who, by the manifestation of the truth, will commend themselves to every man's conscience in the sight of God.' I commend the object to your serious consideration and prayers."

At the same period some students were under the supervision and training of the Rev. George F. Seymour, rector of the Church of the Holy Innocents, Annandale. At the suggestion of the Bishop, this became the foundation of the Training School.

In 1859 several clergymen and laymen, chiefly at the instance of the Society for the Promotion of Religion and Learning, met to organize such an institution as had been declared to be a necessity in the Diocese. An application was made through the Hon. J. V. L. Pruyn to the Legislature for a charter. Through the zeal of this gentleman an act of incorporation was obtained, granting full collegiate powers, with all the security and supervision which the Church could ask.

For the purpose of carrying on the work, Mr. John Bard gave to the Board of Trustees a plot of ground, which has since been increased to about twenty acres; the Church of the Holy Innocents as a College Chapel; and the Parish School House.

In the Diocesan Convention of 1859 the College was recognized as a Diocesan Institution by the following resolution :

Resolved, That the Convention recognizes the Training School and College at Annandale, as a Diocesan Institution, and worthy of the confidence and patronage of churchmen.

The trustees organized under their charter, April 11th, 1860, and appointed the Rev. George F. Seymour, M.A., Warden, by which the title head of the College was to be known. At the same time provision was made for the erection of a College building. This building was completed the following Christ-

mas, and was furnished with everything necessary for the comfort of the students by the liberality of two members of the Board of Trustees, Messrs. Bard and Aspinwall. It is by the generous contributions of these two gentlemen, and of the Society for the Promotion of Religion and Learning, that the salaries of the Professors and the current expenses of the College have been paid.

The present Warden, the Rev. R. B. Fairbairn, D.D., who had been connected with the College the previous year as Professor of Mathematics and Natural Philosophy, was appointed in 1863. The growth of the College, in its resources and in the number of its students, has been steady and sure. It has commended itself to the general favor of the Diocese. Of the seventy-three young men who are now enrolled as its students, nearly all are expecting to become candidates for orders.

The Bishop in his address to the Convention of 1864, in exhibiting the work, which had been done during the ten years of his Episcopate, named, among other Church Institutions, St. Stephen's College "designed for the preliminary care and training of young men who are looking forward to the Sacred Ministry. This Institution is entirely a new creation within the last ten years. It is already provided with an admirable College building, and with a costly and beautiful Church or Chapel. Some of its pupils are already in the ministry. Its halls are crowded with students, and, I think, those who were present at the examinations and at the public exercises at the Commencement in July last, will concur with me in the opinion that St. Stephen's only requires adequate room for its incoming students, and adequate means of support for its instructors, and

for such young men as shall need it, to make it one of the most useful institutions of the Church in all this country. Let us pray that some of our large hearted laymen may be moved to render it that effectual aid which would cost them so little, and which would make it so priceless a blessing to the ministry and the Church of God."

The Rev. Dr. McVickar, in the report of the Society for the Promotion of Religion and Learning, congratulated the Diocesan Convention "on the rising reputation of this Church Institution, as affording to the Church what it had till then wanted—College teaching and Church training, thoroughly united and mutually operating in fitting for the ministry."

So far the work has been carried on and the College successfully established chiefly by the private munificence of a few of the Trustees, and by the Society for the Promotion of Religion and Learning.

The Bishop said in his address to the Convention, 1869 :

"St. Stephen's Training College, Annandale, is outrunning the anticipations of its most sanguine friends. During the past year it contained upwards of sixty students, all confirmed, all communicants, all looking forward to the sacred ministry of the Church, unless we except two or three young men who had not yet finally announced their determination. The present collegiate year will open with upwards of seventy students, the college buildings and every house in the neighborhood which the Warden could obtain use of, being filled to their utmost capacity. Applications for admission are obliged to be held in suspense or denied. In the meantime the character of the institution has been rapidly rising. The last annual Commence-

ment bore striking and most gratifying testimony to the scholarship, the tone of thinking, and the intellectual ability developed under the system of instruction and training there employed, while the moral and religious spirit of that large body of young men, all animated with the same high aims, bound together by common sympathies and warm fraternal affections, as they pursued their studies and their pastimes amid the most lovely scenes of nature, served to complete a picture which must have touched the heart of every earnest Christian beholder. It cannot be long before the Church, to a wide extent, will recognize the high character and the great importance of St. Stephen's College. It cannot be long before some of our men of wealth will esteem it a privilege and an honor to contribute to the permanent endowment of such an institution. * * * * It will not be creditable to the Church at large, if it shall long continue to leave one of the most faultless and invaluable Seminaries of the Church in this country to the support of a few munificent individuals, or allow its usefulness to be limited by the narrowness of its means."

Instruction in the above course of studies is intended to promote habits of patient and accurate investigation, while at the same time it is arranged with special reference to the study of theology. The student who proposes to enter the General Seminary, must have an accurate knowledge of Latin and Greek and of Natural Science; but especially must he know how to speak the English tongue, have an intimate acquaintance with the text of the Greek Testament, be skilled in Ethics, and be possessed of geographical and historical knowledge enough to enter intelligently on the study of God's word.

Preparatory Course for Candidates for Orders.

An opportunity is afforded to students, who do not intend to pursue the regular course of study for a degree, but who wish to become candidates for orders, of reciting with such classes as will prepare them for an examination on the subjects prescribed by the canons of the Church, viz: "Natural Philosophy, Moral Philosophy, Rhetoric, the Greek Testament, and the Latin Tongue." Such a course will require two or three years according to the previous preparation of the student. Those who satisfactorily sustain the examination will be furnished with a certificate to that effect.

Examinations.

The standing of students is determined entirely by an examination, conducted mostly in writing. There is an examination at the end of each term in Latin and Greek, in English Language and Literature, in Natural, Mental, and Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts, of three years standing, who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

Commencement.

The next annual Commencement will be held on Thursday, June 19th, 1873. Divine service will begin in the College Chapel at 11 o'clock A. M.; and the usual literary exercises of the students at 12 M.

Library and Apparatus.

There are at present about 2,000 volumes in the Library. A valuable collection of Philosophical Apparatus has been presented to the College by the Hon. J. V. L. Pruyn.

Religious Instruction.

St. Stephen's College is an Academic Body composed of religious men—Trustees, Professors, and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the students is a prominent object. For this purpose

they are required to attend daily morning and evening service in the College Chapel, and the usual services on Sunday under the pastoral superintendence of the Warden of the College.

Grounds and College Buildings.

The landed property of the College consists of about twenty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a preeminently beautiful building of stone, in which the students of the College and the children of the Parish School attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation rooms, library, rooms for twenty-eight students, and refectory, which is under the superintendence of a matron who resides in the building.

During the summer vacation of 1868, a building seventy feet by thirty-eight was erected. It contains accommodations for twenty-six students and for a College officer, and also recitation rooms.

The Ludlow and Willink Hall, a substantial building of stone, is intended as a residence for the Warden of the College. It also contains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow and her sister Mrs. Willink of New York.

Expenses.

Tuition and furnished rooms are entirely free. The only charge for the academic year is \$225, *payable half yearly in advance*, for which board, washing, fuel and lights are provided. The students eat at a common table, which is presided over by a College officer.

Vacations.

There are three terms in the year. Christmas term begins September 10, and ends December 22. Easter term begins January 3, and ends March 19. Trinity term begins March 22, and continues to Commencement, which is Thursday, June 19. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine of five dollars or more.

Situation.

The College is situated on the Hudson river, in the town of Red Hook, in Dutchess county, between Barrytown and Tivoli. It is easily reached from the Barrytown Station, which is about $2\frac{1}{4}$ miles distant. The post office address is Annandale, N. Y. Telegraph office at Barrytown, N. Y.

Societies.

The following societies are recognized by the College authorities — the EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition, and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students, and to furnish means of obtaining missionary intelligence.. The meetings are held on the first Sunday evening of each month.

The anniversary of this Society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1872, the Rev. Hugh Miller Thompson, D.D., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

Convocation of the Alumni of St. Stephen's College.

The REV. JOSEPH CAREY, M.A.,	-	-	President.
The REV. WILLIAM R. THOMAS, M.A.,	-		Vice President.
The REV. ARTHUR C. KIMBER, M.A.,	-		Secretary.

Honors.

Prizes are given at Commencement for superior scholarship at the daily recitations.

The Rev. John McVickar, D.D., left one thousand dollars, the income of which is to be given as an "annual prize in money or a medal, or otherwise as the Warden shall determine, to the scholar of the graduating class who, intending to enter the ministry of the Church, shall excel in elocution."

Scholarships.

The Rev. John McVickar, D.D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The McVickar Scholarship*,

Admission.

The following persons will be received as students, viz :
Those who present evidence of having been appointed scholars of the Society for the Promotion of Religion and Learning :

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class :

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they are required to matriculate. They must be fifteen years of age, and be ready to subscribe the declaration, prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College ; and thus save themselves and their friends from future disappointment and mortification.

Instruction in the above course of studies is intended to promote habits of patient and accurate investigation, while at the same time it is arranged with special reference to the study of theology. The Student who proposes to enter the General Seminary, must have an accurate knowledge of Latin and Greek and of Natural Science; but especially must he know how to speak the English tongue, have an intimate acquaintance with the text of the Greek Testament, be skilled in Ethics, and be possessed of geographical and historical knowledge enough to enter intelligently on the study of God's word.

Preparatory Course for Candidates for Orders.

An opportunity is afforded to those who do not intend to pursue the regular course of study for a degree, but who wish to become candidates for orders, of reciting with such classes as will prepare them for an examination on the subjects prescribed by the canons of the Church. Such a course will require two or three years, according to the previous preparation of the student. Those who satisfactorily sustain the examination will be furnished with a certificate to that effect. The examination according to the canon will embrace the following subjects :

English Language and Literature.

Logic.

Rhetoric.

Mental Philosophy.

Moral Philosophy.

Physics — or Natural Philosophy.

History.

Latin Language.

Greek Language.

Examinations.

The standing of students is determined entirely by an examination, conducted mostly in writing. There is an examination at the end of each term in Latin and Greek, in English Language and Literature, in Natural, Mental and Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew and the different branches of Mathematics, only when the book or study has been com-

pleted. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years standing, who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

Commencement.

The next annual Commencement will be held on Thursday, June 17th, 1875. Divine service will begin in the College Chapel at 11 o'clock A. M. ; and the usual literary exercises of the students at 12 M.

Library and Apparatus.

There are at present about 2,000 volumes in the Library. A valuable collection of Philosophical Apparatus has been presented to the College by the Hon. J. V. L. Pruyn.

Religious Instruction.

St. Stephen's College is an Academic Body composed of religious men — Trustees, Professors, and Students — who are communicants of the Protestant Episcopal Church. The religious culture of the students is a prominent object. For this purpose they are required to attend daily morning and evening

service in the College Chapel, and the usual services on Sunday under the pastoral superintendence of the Warden of the College.

Grounds and College Buildings.

The landed property of the College consists of about twenty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a preëminently beautiful building of stone, in which the students of the College and the children of the Parish school attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation rooms, library, rooms for twenty-eight students, and refectory, which is under the superintendence of a matron who resides in the building.

During the summer vacation of 1868, a building seventy feet by thirty-eight was erected. It contains accommodations for twenty-six students and for a College officer, and also recitation rooms.

The Ludlow and Willink Hall, was built in 1869. It is the residence of the Warden of the College, and also contains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow and her sister Cornelia Ann Willink of New York.

A Dining Hall sixty feet by thirty was built in 1873, with money given by Miss Preston.

Expenses.

Tuition and furnished rooms are entirely free. The only charge for the academic year is \$225, *payable half yearly in advance*, for which board, washing, fuel and lights are provided. The students eat at a common table, which is presided over by a College officer.

Vacations.

There are three terms in the year. Christmas term begins September 8 and ends December 22. Easter term begins January 3, and ends March 29. Trinity term begins March 29, and continues to Commencement, which is Thursday, June 17. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

Situation.

The College is situated on the Hudson river, in the town of Red Hook, in Dutchess county, between Barrytown and Tivoli. It is easily reached from the Barrytown Station, which is about $2\frac{1}{4}$ miles distant. The post office address is Annandale, N. Y. Telegraph office at Barrytown, N. Y.

Societies.

The following Societies are recognized by the College authorities: The EULÉXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition, and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students, and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this Society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1874, the Rt. Rev. the Bishop of New York, made an address.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

Convocation of the Alumni of St. Stephen's College.

The REV. JOSEPH CAREY, M.A.,	-	-	<i>President.</i>
The REV. WILLIAM R. THOMAS, M.A.,	-		<i>Vice President.</i>
The REV. ARTHUR C. KIMBER, M.A.,	-		<i>Secretary.</i>
OLIVER P. VINTON, B. A.,	-	-	<i>Treasurer.</i>

Honors.

Prizes are given at Commencement for superior scholarship at the daily recitations.

The Rev. John McVickar, D.D., left one thousand dollars, the income of which is to be given as an "annual prize in money or a medal, or otherwise as the Warden shall determine, to the scholar of the graduating class who, intending to enter the ministry of the Church, shall excel in elocution."

Scholarships.

The Rev. John McVickar, D.D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The McVickar Scholarship*.
